

REMARKS

Claim 5 currently remains in the application. Claims 1-3 and 6-9 have been canceled, claim 4 has been withdrawn, and claim 5 is herein amended.

In response to the document entitled Amendment "E" After Final Action mailed December 19, 2005, the Examiner stated in said Advisory Action that the proposed amendment therein would not be entered because they raised new issues that would require further consideration and/or search. The present RCE is therefore being submitted to have such consideration and/or search to be effected. Thus, the claims section is herein amended in the same way presented in said Amendment "E" After Final Action. The Examiner is therefore requested to refer to the REMARKS section of said Amendment "E" After Final Action as the argument by applicant in support and to come to conclude that the application is indeed now in condition for allowance.

Respectfully submitted,

Keiichi Nishimura
